Payroll Processing and Retirement Codes

The State Controller's Office has issued Personnel Letter #10-020 and subsequent letters will be issued to provide additional instructions along with new retirement codes.

DPA is updating the Alternate Retirement Program (ARP) [Eligibility Worksheet](#) on DPA's web site (under HR Staff tab). The worksheet assists personnel staff in determining ARP eligibility and which ARP retirement code to apply.

A subsequent PML will be issued to clarify the transfer rule and criteria including examples to assist personnel staff. Please contact Desi Rodrigues if you have questions regarding retirement changes. Her contact information is provided above.
